School facility repairs and improvements...

- What facility needs are ***specific to your LEA***? How has COVID-19 changed your focus?
 - Two key phrases here are to ***enable operation*** and ***reduce risk of transmission***.
- Water bottle filling stations, improved ventilation systems and filtration, sanitization stations are a few examples of how funding could be utilized to reduce the risk of transmission.
- What does your specific LEA need to ***ensure that your school facilities can safely operate and function*** in a manner that keeps all students and staff as safe as possible?
